This comedy drama stars Emma Thompson as the leading lady Katherine Newbury. Katherine is a pioneer and legendary host on the late-night talk-show circuit. Her world is turned upside down when she's accused of being a "woman who hates women". She puts affirmative action on the to-do list, and hires Molly (Mindy Kaling) as the one woman in Katherine's all-male writers' room. Molly is determined to help Katherine revitalize her show and career--and possibly effect even bigger change at the same time. But Molly might be too little too late, as the formidable Katherine also faces the reality of low ratings and a network that wants to replace her. The decision to hire Molly brings about unexpectedly hilarious consequences as the two women who are separated by culture and generation become united by their love of a biting punchline.
